## SUMMARY

Innovative React Developer with 3 years of experience engineering scalable content management platforms. Engineered a solution at Blogsify that enhanced workflows and automated processes, boosting audience reach through SEO and social media integration. Seeking a React Developer role to leverage expertise in React JS, MERN Stack, and automation to drive technological innovation and user engagement.

## EXPERIENCE

- Engineered the ExclusiveTV Portal and Android application, integrating multimedia streaming capabilities and customizable user profiles to elevate viewer engagement and streamline content delivery.
- Engineered a scalable content management platform for Blogsify, enhancing publishing workflows, integrating SEO optimization features, and automating social media distribution to expand audience reach.

### Web developer | Freelancer | Pune | July 2024 - Present

- Developed responsive websites for diverse clients, integrating client feedback and ensuring compatibility across multiple browsers and devices.
- Engineered custom web applications utilizing modern frameworks, incorporating third-party APIs and tools to elevate client functionality and streamline user experiences.
- Refined front-end and back-end processes by implementing robust security measures and optimizing workflows, ensuring reliable client deliverables and elevating site stability.

## PROJECT

### Exclusive TV | Video streaming | [exclusivetv.in](https://exclusivetv.in) | November 2025 - Present

- Engineered the ExclusiveTV Portal and Android application, integrating multimedia streaming capabilities and customizable user profiles to elevate viewer engagement and streamline content delivery.
- Devised a scalable analytics framework for the ExclusiveTV Portal and Android application, enabling data-driven insights into user behavior and informing targeted content strategies for ongoing platform growth.

### TrentShopNow | E-commerce | [trentshopnow.in](https://trentshopnow.in) | May 2025 - Present

- Launched TrentShopNow by integrating advanced shopping features, optimizing site navigation, and elevating customer engagement through personalized recommendations.
- Revamped TrentShopNow by incorporating seamless checkout processes, expanding product offerings, and enhancing mobile responsiveness to drive higher conversion rates and user retention.

### Blogsify | Blogging | [blogsify.in](https://blogsify.in) | February 2025 - Present

- Engineered a scalable content management platform for Blogsify, enhancing publishing workflows, integrating SEO optimization features, and automating social media distribution to expand audience reach.
- Integrated analytics dashboards into Blogsify's platform, enabling data-driven insights for content performance and empowering stakeholders to refine editorial strategies and boost audience engagement.
